

Re: Avoca Beach, NSW, 21-Mar to 11-Apr-2015
2.5 acres, 3 bedroom house, 2 cats, pool.

26 April 2015

Dom and Ann,

Thanks so much for the trouble you took with looking after the house, grounds and cats. The kitchen floor tiles have been steamed, as have the weeds in the pathways.

Picking and pickling olives from the tree was a bonus !

The pool was sparkling after a major storm filled it with leaves! I would recommend you to anyone who cares about home and pets!
