

*Mahalo for Pet Sitting!*

Dear Ann and Dominic,

14/01/18

Just a quick note to thank you both so very much for taking such good care of Gus, Romeo and the garden. Everything is just as if we'd never left, and both the boys are happy and relaxed - their usual lovely selves in fact. We're so pleased that our home worked so well for you too, and are especially happy that you could run your professional lives without inconvenience.

With thanks and warmest regards,  
Fiona and Jim, and especially Gus and Romeo.
